MEMORANDUM FOR ALL PERSONNEL

FROM: 105 AW/CC

SUBJECT: Environmental Management System (EMS) Base Environmental Commitment Statement

1. The wing recognizes AFPD 90-8 as the Base and ANG Environmental Policy and is committed to conducting its mission in an environmentally responsible manner that will protect human health, natural resources, and the environment. In doing so, we will comply with all applicable executive orders, rules and regulations to include state, federal and military to conduct our mission and strive for continual improvement in our environmental performance. This commitment goes beyond compliance with the law and encompasses the integration of sound environmental practices into our daily decisions and activities. We have and will continue to pursue a course of responsible environmental stewardship. In support of our environmental statement, we will:

a. Maintain an effective environmental management system, promote the use of safe technologies and operating practices, and remain ready to respond to emergencies in order to improve our environmental performance and minimize adverse impacts to installation workers, their families, and the environment.

b. Set environmental targets and objectives to measure progress, take corrective action when necessary, and communicate results and other environmental information regarding the installation's operations and its environmental accomplishments to workers, the community, suppliers, regulators, and the public.

c. Investigate and evaluate new and innovative technologies and practices as appropriate, establish and implement an effective pollution prevention program, minimize the generation of wastes, recycle materials otherwise destined to become waste, when possible, and dispose of any remaining wastes in an environmentally responsible manner.

d. Ensure the responsible use of energy throughout the installation, including the adoption of innovative practices and procedures that will conserve energy and improve energy efficiency.

e. Provide regular operation-specific environmental performance reviews and assessments, and develop plans to address actual or potential non-compliance situations.

2. Compliance with this Environmental Statement is the responsibility of every member of the 105th Airlift Wing, and the Marine Aircraft Group, Detachment B, community in accordance with his or her role and responsibilities in their organization. The base activities include, but are not limited to, operating and maintenance of aircraft with the support of corrosion control, aerospace group equipment, vehicle maintenance, administrative functions, and facilities maintenance.

3. Questions regarding this policy can be directed to Mr. Michael Oettinger, Environmental Manager, at michael.oettinger.2@us.af.mil or 845-563-2383.
