

## WHAT IS A KEY SPOUSE?

Key Spouses are peers whom play an important role in building strong & resilient units. They serve as a liaison between the commander and spouses

## WHAT DOES A KEY SPOUSE PROVIDE?

- **Connection** Someone to check on you and your family
- **Information** Answer questions & give you the resources you need to get everything figured out .
- **Readiness** Provide information on events, deployments & other situations
- **Link to Leadership** We work closely with your squadron to make sure you have answers when your airman is deployed
- **Support** We are your connection, source of information, sounding board & help in difficult situations
