

# Stewart Air National Guard Base Restoration Advisory Board Public Interest and Application Form

The Stewart Air National Guard Base Restoration Advisory Board (RAB) serves as a forum for communication among the Air National Guard, other government agencies, and the community. RAB members volunteer to attend quarterly RAB meetings and serve as community liaisons to share information learned at meetings with others in the community, and to bring community interests to the meetings.

Positions on the RAB are filled as they become open. If you are interested in serving as a member of the RAB, please complete and return this form.
